**NOVURANIA ENHANCES SALES AND SERVICE IN SOUTH OF FRANCE.**

Vero Beach Fla. September 8 2011- Novurania, a market leader in luxury tenders for Superyachts for the past 40 years, is re- establishing French dealer EAMS of Biot as their primary sales outlet on the French Riviera.

“We have settled our differences with EAMS in order to provide our customers a product show place in this important sales area” said Robert Collada, President of Novurania. “EAMS has a fantastic facility at Biot with sales, service, storage and even rentals of Novurania tenders. Their staff, particularly Owner Rene Neyertz is very knowledgeable about our product and the Tender needs aboard a Large Yacht.”

Novurania offers an extensive range of luxury tenders from the 12’ (4.30m) DL dinghy to the mighty 38’ (11.6m) Chase Superyacht tender. They are all available to view on their new website [www.Novurania.com](http://www.Novurania.com) which includes links to their Facebook pages for up to the minute news and photos.
