### **NOVURANIA APPOINTS NEW SERVICE AGENT IN MALLORCA.**

Vero Beach Fla. November 28 2011- Novurania, a market leader in luxury tenders for Superyachts for the past 40 years, has appointed Marlin Marine Services as their Authorized Service Center for Mallorca.

Marlin Marine Services SL, a full service facility, has been established in Port Adriano, South West Mallorca and, for many years, has provided a professional approach to Yacht engineering, brokerage and maintenance.

The company directors, John Haynes and Mark Hancox, combine their personal boating and engineering backgrounds to lead a fully qualified team of engineers, shipwrights and GPR experts.

Mark Hancox said " This is a perfect time of year to join Novurania as most of the Superyachts are now having their winter works carried out and we can help provide all the work required for their tenders."

Novurania is a leading supplier of Yacht tenders; their products are found on Yachts all over the world.

Novurania President Robert Collada said "We welcome the expertise of Marlin Marine Services to our network of service centers and this is good news for our customers heading towards Mallorca"
